

**This information has been compiled by the MDL 926 Claims Office and the Office of Plaintiffs' Liaison Counsel ("OPLC") as a service to claimants. It represents merely those attorneys who have expressed to the Claims Office and the OPLC their willingness to assist claimants with breast implant claims in the Revised Settlement Program. No representation is made that the quality of legal service provided by an attorney on the list is greater than that of other attorneys, or that a listed attorney will agree to represent a breast implant claimant. A favorable outcome is not guaranteed, and the listed attorneys are not endorsed by the Court, the Claims Office or the OPLC. If you have any questions about this list, you may call 1-888-470-3799.*
